Browse Course Catalog for Advisors

Browse Course Catalog provides advisors with the ability to search for active classes by subject, catalog number, or frequency.

Viewing Browse Course Catalog

1. Log in to your Faculty/Advisor Homepage.
2. Click the Class Search tile.
3. Click the Browse Course Catalog in the left navigation.
4. Click on the subject code to display course information.
5. Click on the course number or course title to display course offerings. Click on the Collapse All or Expand All buttons for easier viewing.
NOTE: The addition of Typically Offered as a new column is to allow for easier viewing and is no longer included in the Course Title.

6. Click on any link to browse course details.

7. Click the View Class Sections to view all sections for the current term. Or, click the Return to Select Course Offering link to view additional courses.
